# EUROBOIS

THE TIMBER, WOODWORKING MACHINERY,  
AND FITTING-OUT TRADE SHOW

## BE PART OF THE LEADING EVENT IN THE TIMBER AND WOODWORKING SECTOR IN FRANCE

At a time when the ecological transition is a necessary consideration in all the sectors, timber lays claim to some remarkable advantages: **bio-based, renewable, and low carbon!**

With support from the powers that be and energized by the new regulations, **the sector is getting organized to increase its competitiveness:** digitalization of timber conversion, levelling-up of stakeholders' skills, adaptation to a demand whose volume and personalization are both on the increase.

From industries to craft firms, fitters-out to specifiers, federations to training centres, **all the stakeholders are setting in motion and making innovation a focus of their projects.**

**Eurobois is their trade show**, the meeting place for all those who are pushing back the boundaries and driving development of the sector.

**Join us and welcome to Eurobois!**

**A UNIQUE OFFERING WITH ALL THE SOLUTIONS IN ONE PLACE!**

**8 sectors for showcasing the whole offering of timber conversion,  
wood-based materials, and fitting out.**

First stage timber conversion  
machinery and equipment

Second stage timber conversion

follow-ups

## ALL YOU NEED TO MAKE THE MOST OF YOUR PARTICIPATION AND PROMOTE YOUR BUSINESS!

### The shop window for your innovations

Eurobois puts innovation at the core of the trade show. The Eurobois Awards focus on promoting your new products, features, and innovations among professionals and the press from both France and abroad.

- Showcase your innovative products and services and make your company a lot more visible!

### Business & congeniality

Eurobois is the only trade show in France spanning the whole value chain of the timber and woodworking sector. This makes it the ideal venue for developing your networks, meeting relevant visitors, and generating opportunities in a setting where business never turns its back on congeniality or the pleasure of communicating.

- Meet and trade thoughts with timber and woodworking professionals to boost your projects and your business!

### EUROBOIS CONNECT

Designed to stimulate encounters, Eurobois helps make the most of your presence with Eurobois Connect, a digital solution for multiplying your contacts and visibility: network before, during and after the show.

### All the latest news & views

Eurobois offers you an extensive programme of open-access conferences and highlights to cultivate your market knowledge, provide you with stories and feedback, and ensure no sector news passes you by.

- Expand your horizons and stay at the forefront of the sector's evolution!

## WHAT THEY HAVE TO SAY...

**MICHEL COCHET**

Chairman - FIBOIS

“ We take great pleasure in catching up and trading thoughts with people, all the more so thanks to the many projects that the sector's stakeholders, visitors, and exhibitors have in hand to accompany the impetus of timber. ”

**ROMAIN ZINNEN**

Salesperson - SCHUKO

“ Eurobois is an important shop window onto the French market. At each edition, we bring along and showcase our innovations to show the effectiveness of our responses to the needs of timber firms. ”

**STÉPHANE VERON**

Chairman of French Furniture Equipment Makers association  
Director - MSA France

“ As far as we are concerned, Eurobois is the benchmark gathering, the only one in France that brings timber and fitting out specialists face to face with their customers. ”

**YOANN BAGUET**

General manager - FELDER GROUP France

“ We're very proud to have won a Eurobois Award. It will add even more visibility to the product we put forward and give us added credibility with our clientele. It's a matter of pride for the whole team. ”

**MATHIEU HUGON**

Manager of the European Institute of Joinery,  
Fitting-Out, and Furniture Making,  
Les Compagnons du Devoir et du Tour de France

“ We have partnered Eurobois for 5 editions now, because we want to be at the sector's beating heart and that's where this event takes us. We encounter other actors; partnerships take shape. ”

**YANN RAOULT**

Chairman - WAYS INDUSTRIE

“ Winning a Eurobois Award has been extremely important. First because Eurobois is a nationwide trade show and thus the award is recognition by the sector, and second because it's not always easy to raise the profile of disruptive technological advances! ”

# EUROBOIS

THE TIMBER, WOODWORKING MACHINERY,  
AND FITTING-OUT TRADE SHOW

## AN EVENT greentech+

As part of the GL events group, **GreenTech+** organizes trade shows revolving around the common themes of **ecological innovation** and **sustainable development**, in a format unique in its field.

GreenTech+ is an accelerating force, committed to escorting stakeholders in their development, seeking **tomorrows' solutions** and guiding our citizens ever closer to **eco-awareness and responsibility**.

## EUROBOIS, THE ECO-FRIENDLY GATHERING

Eurobois makes a concrete commitment to limiting the event's environmental impact via dedicated action plans that set out to:

- Decrease the event's carbon footprint (transport, electricity, water, renewables)
- Limit the use of single-use expendables (responsible communication, eco-design, waste sorting, catering)
- Association of local stakeholders (catering)
